

The Royal Australasian  
College of Physicians

# Gastroenterology Advanced Trainee/ Supervisor session AGW 2018

Brisbane Convention and Exhibition Centre,  
QLD

## The ATC in Gastroenterology would like to invite you to attend a face-to-face Advanced Trainee session at Australian Gastroenterology Week (AGW) 2018

As part of the College's commitment to supporting Advanced Trainees and Supervisors, we will be conducting an information/ Q&A session at AGW, setting aside time for trainees and supervisors to gain valuable information relating to the training program and to ask any questions relating to training. It is also a wonderful chance to meet other trainees and also members of the ATC in Gastroenterology.

The session will be run by Kat Dundas, RACP Executive Officer, Prof Geoff Hebbard, Co-ordinator of the ATC in Gastroenterology, Dr David Prince, Advanced Trainee Representative of the ATC.

This year, there will be additional information for any trainees and supervisors who may have questions in regard to the new research project training requirement for trainees new to the gastroenterology advanced training program in 2017 and 2018.

If you are interested, please contact [gastroenterology@racp.edu.au](mailto:gastroenterology@racp.edu.au) indicating your attendance.

In addition, the RACP Executive Officer for Advanced Training in Gastroenterology, Kat Dundas, is available for individual sessions from **9.00am to 12.00pm on Monday, 10 September**. If you would like to book in a session please contact [gastroenterology@racp.edu.au](mailto:gastroenterology@racp.edu.au) with a preferred time.
