**Saturday, 8 September 2018 to Monday, 10 September 2018, Brisbane Queensland, Australia**

On behalf of the Gastroenterological Society of Australia – Australian Gastroenterology Week 2018 Scientific Program Committee, it is my great pleasure to invite you to attend GESA AGW 2018 which will be held from Saturday, 8 September 2018 to Monday, 10 September 2018 at the Brisbane Convention and Exhibition Centre, Brisbane, Queensland, Australia.

The Australian Gastroenterology Week (AGW) is the only forum in Australia where scientists and clinicians engaged in gastroenterology and hepatology can meet, learn and share ideas. International world leaders in endoscopy, hepatology and inflammatory bowel disease, will also enrich the meeting.

Over 3 days the program has been designed to encourage interaction between various interest groups in concurrent scientific and educational sessions (including State-of-the-Art lectures, Translational Symposia, free papers and poster presentations).

Please note that this letter is for VISA and leave application purposes only and cannot be regarded as a commitment in relation to funding your attendance at the conference.

Thank you and we look forward to welcoming you to Brisbane and GESA AGW 2018.

With Kind regards,
